

ARE YOU & YOUR FAMILY READY FOR THE BIG ONE?

**Support Hamilton Elementary Emergency Supply Drive  
November 13 – 30, 2009**

Your PTA Emergency Preparedness Committee is developing long-term goals to make sure the school and its community members are educated and ready to meet any disaster and keep your child safe and comfortable.

This year the PTA is paying for on-going replenishment of emergency food bars and water pouches... BUT we can't stop there!!

**Two easy ways** to help ensure the school has what it needs for the unexpected!

**Option 1:** Drop off at the Front Office one of the following gift cards and your PTA Emergency Preparedness Committee will do all the work:

- \$20 - \$50 Gift from Costco
- \$20 - \$50 Giftcard from Target
- \$20- \$50 Visa Giftcard (available any Safeway)

Your gift card will be used to purchase much needed items:

1. Plastic bins to protect and save our current supplies in container bin.
2. Sun Block
3. Children strength Tylenol or Motrin for bins and classroom backpacks
4. Extension Cords
5. Work Lights
6. More Tarps, ropes & stakes for temporary shelters

**Option 2:** Make a donation towards purchasing a much needed **PORTABLE GENERATOR**. Fundraising goal is only \$700. Contact Ellen Kupper @ [kuppere@sutterhealth.org](mailto:kuppere@sutterhealth.org) or (415) 320-9923.

Every bit will help us! Hamilton is growing every year and we need your help. Your donation is tax deductible. Help the children be ready now! ***“Don't you want your child or children to have what they need?”***

**WE THANK YOU FOR YOUR HELP TO KEEP HAMILTON ELEMENTARY READY AND PREPARED!**
